SUMMARY OF COMMUNICATION

I talked with Mary Jo Ayer, USGS contract officer, 0-125-7941 regarding payment request for the subject contract. Mary Jo said that bill # 1427-5-82 for an amount of \$125,000 was submitted for payment + however USGS Headquarters in Reston Va. The bill includes payment for two contracts: (1) \$50,000 for 1B1905 11030 (2) 75,000 for 1B6605 P050

1 above is a payment request for services provided to under the sub. Interagency Agreement between USGS and EPA. Apparently, either USGS Headquarters did not request payment in May, 1982 for the above bills or there is a bookkeeping error on record as if no payment was made.

CONCLUSIONS, ACTION TAKEN OR REQUIRED

Check of a 125,000 payment was made ^{about} May 1982 to the USGS and amount of \$50,000 for contract # 1B1905 11030

and amount of \$75,000 for contract # 1B6605 P050 was not made with the USGS.

Let me know if it is to be made.
